I was meeting with DOJ, sorry.

Hope you get this in time.

Cherokee: CD lodged, federal register notice signed and published (I think).

Nelson Tunnel: Initial meetings with PRPs ongoing. We met with CoCa, Hecla Ltd and counsel today. Next steps, scheduling a joint team meeting with Gilt Edge team re: CoCa's ability to pay and veil piercing argument and team meeting to discuss water rights and settlement vehicles (and other issues raised by Hecla's counsel).

Call me with questions.

Can you tell me the status of the Nelson Tunnel and Cherokee matters? Thanks.
